

Aspin

Chainsaw bib&braces, class 1 type A

1RG1NAPAS

Looking for basic chainsaw protective bib&braces? Look no further than our SIP Protection BasePro product range. The outer fabric is composed of a regular polyester cotton fabric, perfectly suitable for temporary or seasonal forestry work. Don't be mistaken however. The BasePro bib&braces, which are the most economic pair of SIP Protection bib&braces of our range, still provide the comfort you want, the protection you need and the quality you expect from SIP Protection!
