Forest Pro-tect

HV chainsaw jacket, EN 11393 class 1 type B + belly protection, EN ISO 20471 class 2

1SIBA2PTP

The Forest Pro-tect jacket is the ideal 2-in-1 protective solution for arborists working on a servicing platform. It complies to EN ISO 11393 class 1 design B, offering also chainsaw protection on the abdomen, as well as to Hi-Vis EN ISO 20471 class 2. Thanks to the smart loop openings in the back or in the front at chest height, it can be fitted with the fall arrest harness underneath, thus offering much more freedom of movement.
